Ramon has shared the stage with Seth Godin, Daymond John, Guy Kawasaki, Simon Sinek, Gary Vaynerchuk, and other celebrity entrepreneurs.

He's interviewed President Obama in the President's first live Google Hangout and interviewed many of the sharks on Shark Tank.

Although Ramon has interviewed and shared the stage with many celebrity entrepreneurs, his passion and biggest professional accomplishment is interviewing "main street" small business owners and entrepreneurs and sharing their stories.

Ramon is not just an ivory tower geek, but as a former technology consultant, he has hands-on experience in a variety of technologies including social media, mobile computing, computer networks, online software and more.

Ramon's expertise is technology, marketing, sales, business startup and his favorite is personal branding.

Over his extensive career, Ramon has written thousands of articles, spoken to thousands of business owners and impacted hundreds of thousands of small business owners and entrepreneurs to help their businesses thrive.
