### Clients of the New Mexico SBDC

Namjoo and Jayden Hastiin-Nez founded Silent Hawk Environmental LLC in 2012, in Gallup, New Mexico. Silent Hawk Environmental LLC is a Woman Owned Small Business (WOSB), Economically Disadvantaged WOSB (EDWOSB), Service Disabled Veteran Owned Small Business (SDVOSB), and Minority-Owned Small business.

Assistance was provided to Silent Hawk Environmental LLC this past year to obtain the SDVOSB certification as an opportunity for the owners to expand into prime contracting, to obtain a \$325,000 loan from RCAC to utilize in hiring a business developer, to cover the upfront costs associated with prime contracting, and to eventually expand nationwide.

Namjoo was one of the first female group (one of the original 15 female) assigned to US Navy Amphibian Ship – USS Comstock, where she served as an Electrician’s Mate for five years. Jayden served with US Navy for 17 years, and was honorably discharged as a Navy EOD. He’s currently serving in the Army National Guard.

Silent Hawk Environmental provides remediation services, including but not limited to UXO Investigation, Anomaly Avoidance, Surface Sweep, Explosive Site Plan, Safety Management System, Site Safety & Health Plan, Munitions and Explosives of Concern Surface Sweep, Blow In Place, and Proper disposal of UXO related waste. Silent Hawk Environmental LLC also provides Non-UXO services such as vegetation removal, consulting services, quality assurances, specification support, inspection, and program management.
