

Ronn Van Dusen is a business owner and expert in diagnosing business financial statements and assisting business owners with strategies for improving profitability. He managed five different retail stores for major retailers where he received multiple awards for profitability and store performance. His passion to help businesses succeed led him to a career in banking where he successfully managed seven branch locations.

After 18 years of working with national and community banks, Ronn brought his expertise to Butte College SBDC as the core Financing and Financial Business Consultant and Trainer, and has been with the center for over 11 years. Ronn is a Certified Export and Trade Consultant.

Ronn has a bachelor's degree in management from California State University, Chico.
