

Talented sales professional with knack for building high performance teams. Lifetime learner who demonstrates the benefits of building consensus and compromise by focusing on the return on investment a solution will bring to an organization. I have an optimistic personality who sees the glass as half full and can convince others to see it in the same way. Action oriented, I believe in my heart of hearts that people are good and want to serve.

Specialties: Story telling, Team building, Networking, Volunteer Management, Negotiation Strategies, Business Development, Happiness.
