

Jessica Ervin
Technology Innovation Advisor
Oklahoma SBDC Network

Jessica Ervin is a Technology Innovation Advisor for the Oklahoma Small Business Development Center Network. She began her career with the SBDC in 2015 as a part time general business advisor and transitioned to full time the in 2016. In her current role she assists clients with technology commercialization, contracting with the Department of Defense and other federal agencies, SBIR/STTR proposals, and STTR program facilitation with regional universities.

Jessica serves on the Oklahoma SBDC Impact Committee and conducts onboarding for new SBDC advisors. Jessica holds a Bachelor's Degree in business with a minor in education from Texas A&M-Commerce.

Continuing her professional development, she has earned certifications in Export and Trade Counseling, Technology Commercialization, Advanced Facilitator Training, Credit Counseling, and GrowthWheel.

Prior to joining Oklahoma SBDC, Jessica was involved in marketing, public relations, retail merchandising, and nonprofit management. She has a background in production, competition, and event promotion within the bucking stock industry.

Jessica has two children. A son, Klay Ervin who graduated from high school in May 2021 and a daughter, Keeli Ervin who will begin her sophomore year in August 2021. Jessica is active in her local community, church, and her children's school.
