NWTSBDC State Star: Walter Lambert

Bio

Walter Lambert has been with the NWT SBDC network since 2016. With a background in marketing, economic development research, and small business support, he works with local entrepreneurs to help them start and grow their businesses. At the MSU SBDC he works with clients in 13 counties of North Texas. While at the SBDC he's completed a 2-year Rural Business Development Program with USDA, been a local resource for CARES Act programs, and worked with area nonprofits. At home, he chases chickens and his 2 kids. You'll also find him outside getting his hands dirty and sweating in the Texas sun.
