

America's SBDC Conference - Exhibit Booth Details

The conference booth package is designed to be as effective and efficient as possible to allow you and your organization plenty of time to focus on what matters at our event, networking!

The turn-key booth spaces include:

- Registrations for two booth personnel.
- Booth space is approximate—9ftx9 ft.
The side walls are plexiglass wings, and the back wall consists of three 3'x9' panels. The Center panel will be a graphic of your design printed by the show decorator. The two side panels will be plexiglass. We are in a carpeted ballroom, so you are all set unless you need a particular color for your booth.
One highboy table and two stools or the option for a 6' counter table and two stools.
- Wi-Fi
- 110 electrical access

PLUS!

- Coffee and pastries for two mornings, Thursday & Friday morning
- One lunch on the tradeshow floor Thursday
- A VIP (State & Associate State Directors) only visitor session
- Two Happy Hours on the showroom floor Wednesday & Thursday
