Julie serves throughout the state of Michigan small businesses. She analyzes a company's financial performance to determine impending issues in the next stage of growth. Julie provides strategic analysis, succession planning, information on international exporting and SBA loans. Recipient of "Out of the Box" award for the highest amount of capital formation in the SBDC's history and associated with the SBDC Excellence and Innovation Award to the Michigan SBDC Southeast Region by the Small Business Administration Michigan District office and "Outstanding Oakland County Volunteer of the Year" by the Great Lakes Women's Business Council, "Excellence Award" "Going Above and Beyond Award" by SBDC Michigan and "SBDC Consultant of the Year" by the Small Business Administration.

Prior to the SBDC, Julie provided accounting services in various industries, including advertising, health insurance, hospitality, and information technology. She is currently involved in the Michigan Association of Certified Public Accountants, Canada and United States Business Association, American Institute of Certified Public Accountants and the Accounting Aid Society – and is a NASBITE Certified Global Business Professional.

In addition to financial accounting and consulting experience, Julie holds two Master's degrees (Management, Public Accounting) from Walsh College and an undergraduate degree in Hospitality Management from Michigan State University. As a college professor, she helps companies learn how to use accounting data as a management tool – and has facilitated classes domestically, internationally and with SBDC.
