

Karla Gonzalez, MBA

Business Consultant

Areas of Expertise

- Contracting
- Business Certifications
- Business Planning
- Financing/Lending
- Start-Up

Experience

Karla specializes in assisting clients to start their business by helping them through financing, licensing, the permitting process, business planning, and projections. She specializes in contracting and certifications where she assists clients in applying for the correct diverse designations and provides them with a good understanding of the contracting/procurement process.

The best advice I have ever been given is:

In order for a dream to become reality, you need to write it down and set goals!
